The appointor may at their absolute discretion appoint the official to the match from details of fixture supplied by the club and enter it onto WTR.**
- 2. The club will not be charged a match fee and no expenses from SRRS will be available to the match official, only via the club.**
- 3. If the above criteria is followed it allows fully trained and competent match officials to help out at their club or other local club whilst being an active member of SRRS.**
